

ABOUT THE WORKSHOP

The objective of this workshop is to provide the basic knowledge of artificial Intelligence techniques, tools to tackle new AI problems. It focuses on how to use appropriate tools and techniques for applications that naturally needs intelligence. It also provides new approaches to solve problems using AI techniques and algorithms for real world problems.

This workshop will also provide a complete hands-on experience to solve research problems using Fuzzy logic, Neural network and Genetic algorithm.

RESOURCE PERSONS:

- Prof. S.Parasuraman, Monash University, Malaysia
- Internal faculty from CSE Department

REGISTRATION FEE

Faculty/ Research scholars/PG Students - Rs.1000/-

Registration fee includes course kit, refreshments and working lunch.

TRAVEL AND ACCOMMODATION

Participants are requested to make their own arrangements for travel and accommodation. However, suggestions about suitable accommodation near the college could be made on request.

ELIGIBILITY

The Workshop is open to Faculty members from all Engineering Colleges / Arts & Science Colleges / Universities willing to do research in AI and its allied areas. PG students/ Research Scholars interested to pursue research in this area can also attend.

IMPORTANT DATES

Deadline for registration with DD: 18.01.2017

HOW TO APPLY

Applications duly filled in the prescribed format should reach the Coordinators on or before 18th January 2017 along with a Demand Draft drawn in favor of "THE PRINCIPAL, THIAGARAJAR COLLEGE OF ENGINEERING" payable at Madurai, towards the registration fee. The workshop schedule will be intimated through E-Mail. Application form can also be downloaded from the website www.tce.edu.

TEQIP SPONSORED 3- DAYS HANDS-ON WORKSHOP ON ARTIFICIAL INTELLIGENCE TOOLS

23rd to 25th January 2017

Coordinators
Dr.C.Deisy
Dr.S.Padmavathi

Co- Coordinators
Mrs.A.M.Rajeswari
Mrs.B.Subbulakshmi

Organized by
Department of Computer Science and
Engineering

THIAGARAJAR COLLEGE OF ENGINEERING
(A Govt. Aided Autonomous Institution affiliated to Anna University)
Madurai - 625 015, Tamil Nadu

THIAGARAJAR COLLEGE OF ENGINEERING

Thiagarajar College of Engineering (TCE), Madurai, an ISO 9001:2000 certified institution, affiliated to Anna University, Chennai, is one among the several educational and philanthropic institutions founded by Late. Shri Karumuttu Thiagarajan Chettiar, established in 1957. This Govt. aided institution was granted autonomy in 1987 and is accredited by National Board of Accreditation (NBA).

The college offers seven undergraduate programmes, fourteen postgraduate programmes and doctoral programmes in Engineering, Sciences and Architecture. 87 Recognized Research Supervisors are guiding around 350 research scholars for Ph.D degree under Anna University and other Universities.

TEQIP

The World Bank supported Technical Education Quality Improvement Programme (TEQIP) is a long term programme, being implemented in three phases for a systemic transformation of the Technical Education System in India. In its second phase (TEQIP II), around 200 engineering institutions spread across India have been competitively selected to implement the project enabling the institutions to improve the quality of Technical education through institutional reforms.

OBJECTIVE OF TEQIP

To strengthen the institutions to improve learning outcomes and employability of Graduates.

ABOUT THE DEPARTMENT

The FIST Supported Computer Science and Engineering Department has Knowledge Engineering as its theme area. The Department has Laboratories supported by Microsoft, INTEL, TCS and HP. The Department has the privilege of having completed many R&D projects from RCI, AICTE, UGC, DIT and DST. The Department was a consortium partner of CDBR-Smart and Secure Environment project sponsored by NTRO, New Delhi. The Department has collaboration with EMC Data Storage Systems, VMware, Yahoo India, Adobe and CTS. As a Prometric Center, six International Certification programs are offered. The department is responsible for design and development of College Management Information System which has received many National Level Recognitions. The department has experienced faculty members with PhDs and Publication in National and International Journals.

DEPARTMENT VISION

Excellence in Computer Science and Engineering Education and Research.

TEQIP SPONSORED THREE DAYS HANDS-ON WORKSHOP ON ARTIFICIAL INTELLIGENCE TOOLS

23rd to 25th January 2017

Registration Form
