About the college

Thiagarajar College of Engineering is one among the several educational, industrial and philanthropic institutions founded by Late Sri KarumuttuThiagarajarChettiar. This 58 year old institution is Government Aided, ISO Certified Autonomous Institution, accredited by NBA, approved by the All India Council for Technical Education and affiliated to Anna University. The College offers 9 Undergraduate, 13 Post Graduate and Research programs leading to PhD Degree in Engineering, Science and Architecture disciplines.

About the Department

The Department was established in the year 1957. This Department has a well-equipped Computer Laboratory with the latest software in Mathematics such as MATHEMATICA, MathCAD, SYSTAT, PHEONIX, NISAFLUID3D, Maple, SIMUL8, LINGO, MINITAB and StarCD. The department of Mathematics strives to maintain high standards of teaching in various areas of Pure and Applied Mathematics. In addition, doctoral programme is offered in several areas of mathematics such as Computational Fluid Dynamics, Graph Theory, Topology and Automata Theory.

City

Our college is located at Thiruparanthukadu on the outskirts of Madurai, which is well known for its world-renowned Sri Meenakshi Temple. Thiruparanthukadu is one of the six hill-shrines of the lord Murugan. The campus is just 8 Km away from central Madurai.

TEQIP

The World Bank Supported Technical Education Quality Improvement Programme (TEQIP) is a long term Programme, being implemented in three phases for a systemic transformation of the Technical Education System in India.

In its second Phase (TEQIP), around 200 Engineering institutions spread across India have been competitively selected to implement the project enabling the institutions to improve the quality to Technical education through institutional reforms.

Topic to be covered:

• Graph theory and its Applications.
• Topology
• Topological aspects of Graph Theory
