TCE/Alumni Charitable trust/ 2024

Dear Alumni,

Our college, established with the noble objective of providing Quality Education at an Affordable Cost by our founder, Kalaithanthai Karumuttu Thiagarajan Chettiar, continues to uphold this vision. We operate on a philanthropic model, adhering to government-prescribed fees without any capitation/donation for seats. The pursuit of quality education at an affordable cost, TCE has attracted numerous academically proficient yet economically disadvantaged students from both rural and urban areas across Tamil Nadu. Each year, hundreds of students face challenges in meeting the expenses of college and hostel fees.

In the past, we have extended support to such needy students through various channels, including management scholarships, contributions from alumni groups, individuals, and well-wishers. To streamline these efforts, the Thiagarajar Alumni Charitable Trust was established. The overwhelming response from our alumni towards this initiative has been truly heartening. Presently, we have a corpus of around Rs. 6 Crores, the interest from which is utilized to provide scholarships to 200 deserving students. These scholarships are awarded annually during the Founder's Day celebrations on July 29th. Students in need are identified based on their economic status and academic performance. However, it's important to note that this support only partially covers their college and hostel fees, leaving them still in need.

We are pleased to announce that Thiagarajar College of Engineering Alumni Charitable Trust (TCEACT) has received approval from the Government of India to receive foreign funds under the FCRA (Foreign Contribution Regulation Act).

We are well aware of your philanthropic spirit, and your contribution to the corpus could significantly impact the lives of many deserving students. We assure you that all contributors will be duly recognized for their generosity. Donors have the option to name the scholarship in their own name or in memory of a loved one. Additionally, donors or their representatives will be honoured as special invitees at the scholarship distribution event held annually on July 29th, the Founder's Day.

We eagerly look forward to your support for this noble cause.

Thanking you,

Principal
