## IEI STUDENT BRANCH

### Report for the Year 2023-2024

**IEI STUDENT'S COUNSELOR** : Dr G ANANTHI

**IEI STUDENT CHAIR** : V NATCHU

The Institution of Engineers [India] is a national professional society founded in 1920 to involve engineers in research and bring them together with technology. The objective of our department's professional society is to encourage students to actively participate in technical contests hosted by the IE forum. This will encourage students to use their learned skills to contribute to their own and society's advancement.
