

THIAGARAJAR COLLEGE OF ENGINEERING STUDENT CHAPTER – IEI

Report for the Year 2021-2022

IEI STUDENT'S COUNSELLOR: Dr G Ananthi

The pandemic outbreak has pushed everyone's life into disarray. Severe circumstances, on the other hand, necessitate tough measures, which is also true in the case of education. We were able to reach out to students through virtual mode as members of IEI during those periods. After our college reopened, we invited students to attend events in person to showcase their talents and inner curiosity, because knowledge has no beginning and no end.

DEPARTMENT: ELECTRONICS AND COMMUNICATION ENGINEERING

Event Name	Number of Participants	Outcomes
CONNEXIONS	about 22 participants	Event has been conducted to recall the learned concepts just connecting the images given to them.
