

Intellectual Property Rights Activity

The Industry Institute Interaction Cell of our college has organized a One Day Workshop on “Intellectual Property Rights and Innovations” held on 6th October 2017 between 9.15AM to 4.30PM at TCE-TARQ Building Seminar Hall. Resource Person Dr.M.Kanthababu delivered a talk on Intellectual Property Rights (IPR) & Innovations to faculty members and research scholars. The objective of the workshop is to explore the opportunity for converting our research and project work into patent. 43 participants have attended and benefited with this workshop.
