Research Ethics Committee Approval Request Form

Approval Request form for circulating Google Forms involving human data, under the purview of the Research Ethics Committee.

From:

Subject: Ethics Approval Request – Circulation of Google Form for Human Participant Survey

For the project mentioned below, we intend to collect data involving human participants. The details of the participants required for the study are also provided.

Project Information

Project Title	
Principal Investigator: Name, Designation & Department	
Co-Investigators: Name, Designation & Department	
Study Duration	
Funding Source	

Details of Participants

Target Population	
No. of Participants	

I hereby assure that I will adhere to the Ethical Considerations outlined below.

- Participants will be informed about the study and consent
- Data will be securely stored
- Sensitive questions or vulnerable groups will be avoided
- Google Form Link used is: _____

I also assure that no personal data will be collected, and all Google Form responses will be securely exported to a password-protected spreadsheet. The survey will include demographic and professional background information, along with Likert-scale items and open-ended questions designed to assess perceptions and practices. Clear “Prefer not to say” options and the ability to skip non-essential items will be provided to ensure respondent comfort and autonomy.

I hereby confirm that this study will strictly adhere to all institutional and national ethical guidelines governing human research. I respectfully request the Committee’s approval to proceed with the Google Form survey as outlined above.
