(All UG, PG, Ph. D. & P.T. B. E. - Regular & Private Students)

The Revaluation results of April 2026 Phase 1 & 2 Examinations have been published as follows:

- For students admitted in year **2021 and later** – Results are available in **MYCAMU**.
- For students admitted in year **2020 and earlier** – Results are available on the **College Website** & copy attached to notify the Private students by the respective departments.

Students accessing MYCAMU are requested to check the **"Final Result"** page only to view the **updated results after revaluation**.

Note:

In the **"Re-evaluation / Paper Review"** page, results marked as **"IMPROVEMENT"** indicate that the terminal marks have improved after revaluation. However, grades are awarded based on the Relative / Absolute grading mark ranges applicable to the respective courses. **Therefore, an improvement in marks may not necessarily result in a change in grade.**

Students are advised to verify their results carefully.
