

Intellectual Property Rights Activity

The Industry Institute Interaction Cell of our college has organized a One Day Workshop on “**Myths and Realities of R&D and IPR at EEIs: Issues, Challenges & Opportunities**” held on 13th July 2018 between 9.15AM to 4.15PM at Mechanical Seminar Hall .Resource Person Dr. K. Gopalakrishnan delivered a talk on Issues, Challenges and Opportunities in IPR and R&D. The objective of the workshop is to explore the opportunity for converting our research and project work into patent. 50 participants have attended and benefited with this workshop.
