

TCE M.Sc. Data Science: Employer SURVEY

Our students are working in your esteemed organization. Your feedback is essentially to understand our needs in nurturing the knowledge, skill and attitude of our students and revise the curriculum and teaching practices accordingly.

The respondent's email (sheltonvetharaj@gmail.com) was recorded on submission of this form.

Name : *

J Shelton

Designation : *

Software Engineering Director

Organization *

Coats Group Plc

Organization email id *

samson.vetharaj@coats.com

Phone No :

9894070745

M.Sc. Data Science

Please provide your feedback on the performance of our students and the role of curriculum in it. You are expected to rate as given below:

4 (Excellent) , 3 (Good), 2 (Satisfactory), 1(Improvement needed)

Your feedback in the scale of 4 to 1 (excellent to Improvement needed) *

	Excellent	Good	Satisfactory	Improvement needed
Knowledge about basic and contemporary fields in Data Science	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Problem solving and analytics skills	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Programming skills for design and development of solutions	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Critical thinking skills	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Development Environments (IDE), design and testing tools	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Data Science Skills	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ability to work with or knowledge about servers, systems, Integrated	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Communication skills & interpersonal skills	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Leadership skills and team player skills	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Professional ethics	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Project management skills	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Self learning capacity	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Your suggestions for improving the curriculum to enhance the student skills

Including real time use cases will help students to understand the concepts clearly and then be able to apply appropriately.

Your suggestions for including additional activities to enhance the student skills to fit into your industry *

Need to encourage students to solve business problems and develop data driven decision making capabilities in the existing business applications.

This form was created inside of Thiagarajar College of Engineering.
