

Employer Survey

Thiagarajar College of Engineering (TCE), Madurai, an Govt. Aided Institution affiliated to Anna University is one among the educational and philanthropic institutions founded by Philanthropist and Industrialist Late. Shri. Karumuttu Thiagarajan Chettiar. It was established in the year 1957.

We greatly acknowledge you, for showing continuous interest in recruiting our graduates to your esteemed organization. We hope that our graduates have been performing to your expected level of satisfaction. To enhance the performance of future graduates still better, we have been conducting stakeholder survey every year.

As you are one of the important stakeholders for us, we request you to spend your valuable time for recording your responses.

The purposes of this survey are to:

- Assess the technical competence level of our graduates in practice area
- Measure the extent of demonstration of transferable skills by our graduates

We consider your opinions as essential for the continuous improvement of the quality of our programme, and we appreciate your time in filling out this survey. If you need any clarification about this survey, please send your queries to Head of the Department of Mechanical Engineering, at hodmech@tce.edu / tpmech@tce.edu (Prakash T, Assistant Professor of Mechanical Engg.)

Regards

Dr A. Valan Arasu,

Professor and Head

Department of Mechanical Engineering

TCE, Madurai - 625015.

ES1. General Details

Company name: *

alfaTKG Integrated solutions India Pvt Ltd

Company address:

IITM research Park, Tharamani, Chennai

Name of person completing survey:

Balamurugan

Job title of person completing survey :

General Manager

Email adress

bala@atkg.in

ES2. We would ask you to rate your level of satisfaction regarding the following statements which relate specifically to our B.E. Mech graduates:

Greatly Exceeds
Expectations

Exceeds
Expectations

Meets Expectations

Less than
Expectations

ES2.1. Level of satisfaction with caliber of Engineering graduates from TCE, working in your company/firm.

ES2.2. Level of satisfaction that graduates are learning the right skills/courses are relevant to your organization's requirements

ES2.3. Level of satisfaction with the speed at which course content is being adapted to meet changing industrial needs
