

Curriculum feedback

This form is created to capture the feedback from the students on the curricular aspects of their respective programmes.

Email address (optional)

karmukilan@student.tce.edu

Name and Reg. No(Optional)

R.Karmukilan 19AR028

Programme Name *

B. Arch.

The existing syllabus cover the necessary areas of your technical domain *

- Yes very much
- Minor revisions required
- Major revisions required

List three courses that need to be added specifically to match the latest industry trends *

-

Name the courses that helped you in placements,hackathons,symposiums,research publications etc. *

-

Identify at least 3 courses that can be added to the curriculum as a value addition with appropriate reasons *

-

Rate the contribution of your curriculum in terms of the following *

| | Excellent | Very good | Good | Fair |
|---|-----------------------|-----------------------|----------------------------------|-----------------------|
| Getting Placements | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> |
| Preparation for Higher studies | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> |
| Balance of theoretical content with the corresponding practical knowledge | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> |
| Getting internship with industries and higher institutions | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> |
| Creating necessary background for doing industry certifications | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> |
| Incorporation of industry expertise with adjunct faculty | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> |
| Effectiveness of industry supported courses | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> |
| Effectiveness of assessment methods followed for the courses | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> |
| Promoting creative thinking, design and development of solutions | <input type="radio"/> | <input type="radio"/> | <input checked="" type="radio"/> | <input type="radio"/> |

Strengths of your curriculum *

-

Major weaknesses of your curriculum *

-

List any two 'Best Practices' followed in our Institution *

I haven't noticed anything

Specify an 'Institutional Distinctiveness' of our institution *

-

Any additional suggestions

The existing syllabus cover the necessary areas of your technical domain *

- Yes very much
- Minor revisions required
- Major revisions required

List three courses that need to be added specifically to match the latest industry trends *

Interior Design, Estimation, Building Materials

Name the courses that helped you in placements,hackathons,symposiums,research publications etc. *

Landscape design, Interior Design, Design Concepts

Identify at least 3 courses that can be added to the curriculum as a value addition with appropriate reasons *

Architectural writing course - used to provide a base in architectural journalism.

Construction Management (Learn what contractor's do. You'll be able to be a better architect by knowing more about how they work.)

BIM softwares like Revit - Learn Sketch-up, BIM such as Revit, 3D Max, Rhino, and many other software packages that will help you do your job as an architect.

In addition to make you a better architect, generally the more you learn about a broader range of subjects, the more skills you will bring to a potential employer, and the easier it will be to get a job.

Rate the contribution of your curriculum in terms of the following *

| | Excellent | Very good | Good | Fair |
