DMUIC is an embedded college offering integrated programmes for non-UK students. It is run in partnership between De Montfort University (DMU) and Oxford International Education Group (OIEG). Therefore by accepting this offer, you will be agreeing that the following terms and conditions form the basis of the contract between OIEG, DMU and you:

What you must do next...

1. To accept your unconditional offer: Please email confirmation of acceptance to pathways@dmu.ac.uk. By accepting your offer, you agree that the terms and conditions referred to above form the basis of the contract between DMU, Oxford International and you. You agree that you will abide by these terms and conditions and all of DMU's regulations, policies and procedures (as referred to in the terms and conditions).

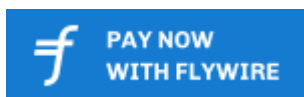

All offers made are subject to us verifying the academic evidence that you provided at the application stage. You will be required to provide original documents during your VISA process (if applicable) and as part of the enrolment process. As soon as your supporting documents are available, please forward them to OIEG Pathways Admissions Office (as detailed below). If it is discovered, however belatedly, that information contained in your application is fraudulent, untrue or misleading, Oxford International / the University may withdraw this offer or terminate your place on a course. We reserve the right to request further documents if these are required for enrolment (for example if required to comply with changes to law or regulations). Please also note that you will not be able to attend the course unless you have the right to study in the UK.

De Montfort University International College is an Embedded College on the campus of De Montfort University. DMUIC is run in partnership with Oxford International Education Group (OIEG) to deliver the first stage/s of DMU integrated degree programmes.

Pathways Admissions Team, 259 Greenwich High Road, London, SE10 8NB, T: +44 (0) 20 8312 8078, E: pathways@dmu.ac.uk

2. Making a tuition fees pre-payment to secure your unconditional place: If you have not already done so, we require overseas students to pay a minimum of 100% of your 1st year tuition fees. It shows OIEG and the University that you intend to study here and will help to demonstrate to the visa authorities that you are a committed student. The remaining fees (for Stage One only) are required to be paid in full prior to arrival. If fees are not paid, students will not be able to enrol to the course. So if you have decided that you definitely want to study this course, making this payment means that you are formally accepting your offer.

You can easily pay your tuition and fees online via Flywire, our preferred payment partner. Flywire provides a secure global payment network that simplifies paying your fees from your home country and countries around the world. Payment options can include bank transfers, credit cards, e-wallets and more, typically in your home currency for most countries. Click the button below or copy and paste the payment url into your browser.

<https://intrinsic.oxfordinternational.com/Flywire/Payment/519851>

OIEG will be pleased to refund your pre-payment (minus £150 registration fee) if circumstances beyond your control prevent you from travelling to the UK to study. For further details on our refund policy, please refer to our Terms and Conditions.

3. Apply for your ATAS certificate (if applicable): before you can apply for entry clearance to study in the UK, you will need to apply online for an ATAS clearance certificate if applicable. The University will tell you if you need an ATAS certificate for your course, and they will provide you with an ATAS Statement to support your application. More information about ATAS can be found at www.fco.gov.uk/atas including the ATAS application form

4. Apply for your visa: once you have paid your deposit, the Admissions Office will email you a letter containing your CAS number. You will need to quote this CAS number in your visa application. You should allow up to eight weeks for the whole application process.

Maintenance: An applicant coming to the United Kingdom must be able to support himself / herself for the entire duration of his / her stay in the United Kingdom without use of public funds. You can demonstrate that you have the required maintenance either by providing evidence of official financial sponsorship or Government sponsorship, or that you have cash in a bank account or loan facilities. A combination of sponsorship and own funds is also acceptable. All evidence, except for loans, must show that the money has been in your personal bank account or your parent(s) / legal guardian's bank account for a consecutive 28 day period (finishing on the date of the closing balance) ending no more than 1 month before your application. Make sure you prepare fully for your visa application / interview: more advice can be found on the UKVI website <https://www.gov.uk/student-visa>.

5. Apply for your accommodation: DMU offers residential accommodation to all international students. OIEG can assist you with booking or securing your place. If you require accommodation and/or assistance please contact pathways@dmu.ac.uk for further information. Students who agree to live in the residential managed accommodation will be required to sign a tenancy agreement for a period which may include the Christmas and Easter vacations, if these fall between the start and end dates of their course. Students who start their course in January may be asked to move to alternative accommodation for July and August. Students who attend a pre sessional course from June may be asked to move to alternative accommodation for September. Once a tenancy agreement has been signed, if a student changes their mind about living in the accommodation or decides to move out of their accommodation for any reason, a termination fee will be required and the student will be liable for rent until another acceptable student is found to take the room.

6. If you are late enrolling on an DMUIC Course, a late enrolment fee of £100 per academic week that you are late enrolling (such fee to be adjusted pro rata in relation to any part of an academic week that you are late enrolling), to be capped at a maximum of £400 (the "Late Enrolment Fee").

7. Send/email a colour passport sized photo of yourself: this will be used for your University ID card, which you will receive within 2 weeks of enrolment. Send this to the Pathways Admissions team pathways@dmu.ac.uk.

8. Scholarships: For details on scholarships please contact pathways@dmu.ac.uk.

9. Continuation from DMU DMUIC to the University will be dependent on successful completion at the required level of the Pathway programme.

10. Full details of your cancellation rights are set out in the terms and conditions of enrolment, and the cancellation form that you may use if you which is available at: <http://www.dmu.ac.uk/dmu-leicester-international-pathway-college/apply-now.aspx>

11. Assignment: OIEG reserves the right to assign or novate to any entity in its Group its rights and obligations set out in this agreement by written notice to you to that effect. Such assignment or novation shall not require your consent and in the event of such assignment or novation your agreement will then be with the member of the Group specified in the written notice. Such assignment or novation will be used for legal or

Dear Vidya Kailasam Palaninatharaja,

Congratulations! After careful consideration, the MS faculty admissions committee has accepted your application to the MS in Business Analytics program and is formally inviting you to be a member of the Fall 2022 entering class.

Please note that your admission is provisional pending final review by the Office of International Admissions of your application and determination of your eligibility to receive the official documents necessary for a US student visa (should it be required). Additionally, your admission is provisional pending receipt of official transcripts, proof of completion of an earned baccalaureate degree from a regionally accredited college or university by the date of intended enrollment and any other required documents. You will receive further instructions from the UB Office of International Admissions with your I-20 / International Welcome Packet regarding which documents to bring to campus. Do not mail items to the School of Management office as they will be discarded. The University at Buffalo reserves the right to rescind admission and revoke the I-20 Certificate of Visa Eligibility if it learns that any fraudulent documents were submitted, if any false or misleading statements were submitted, or if any required information or documents were omitted as part of your application.

We are enthusiastic about you joining our program. You will begin your UB MS BA journey with the MS Advantage program. International MS students are also required to attend the International Student Services Orientation. Your academic advisor will email you in June with specific dates and details. In accordance with New York State Public Health Law, UB requires that all students (undergraduate, graduate, professional) born on or after January 1, 1957 provide proof of immunity against measles, mumps and rubella. The state also requires that all students receive information about meningococcal disease and have made an informed decision about whether or not to receive immunization against meningococcal disease. UB students will not be allowed to register for classes until they have fulfilled these requirements. To learn more, visit <https://www.buffalo.edu/studentlife/who-we-are/departments/health/immunization.html>. Dear Jean Cyril,

Congratulations! After careful consideration, the MS faculty admissions committee has accepted your application to the MS in Finance program and is formally inviting you to be a member of the Spring 2022 entering class.

Please note that your admission is provisional pending final review by the Office of International Admissions of your application and determination of your eligibility to receive the official documents necessary for a US student visa (should it be required). Additionally, your admission is provisional pending receipt of official transcripts, proof of completion of an earned baccalaureate degree from a regionally accredited college or university by the date of intended enrollment and any other required documents. You will receive further instructions from the UB Office of International Admissions with your I-20 / International Welcome Packet regarding which documents to bring to campus. Do not mail items to the School of Management office as they will be discarded. The University at Buffalo reserves the right to rescind admission and revoke the I-20 Certificate of Visa Eligibility if it learns that any fraudulent documents were submitted, if any false or misleading statements were submitted, or if any required information or documents were omitted as part of your application.

We are enthusiastic about you joining our MS in Finance program. You will begin your MSF journey with the MSF Advantage program. Your academic advisor will email you in November with specific orientation dates and details. International MS students must also attend the University's International Student Orientation. Please plan to arrive in Buffalo mid-January. Classes begin on **January 31, 2022**.

If you choose to confirm your seat in the UB MS in Finance program, please submit your non-refundable \$500 tuition deposit by **November 15, 2021**. Deposits must be paid via credit card. Your UB person number is required to pay this deposit.

If you have already uploaded all I-20 materials, you will receive an email with instructions to access your UB person number, along with the tuition deposit link, within 2-3 weeks. If you have not uploaded your I-20 materials, please upload them to your application immediately. I-20 issuance can take up to 6 weeks. Please note that we reserve the right to refuse tuition deposits received after the deadline.

Lastly, since networking is such a crucial skill, I encourage you to begin building relationships with future peers and connecting with the School of Management on social media. Please contact the [Graduate Programs staff](#) with questions. I look forward to welcoming you to campus soon!
