Dear PRAGATI S,

Application Number: 21222300216

Congratulations!

A warm welcome to CEPT University!

I am pleased to inform you that on the recommendation of **Faculty of Architecture** you have been provisionally admitted to the two-year **Master's in Interior Design** program.

You are requested to secure your admission offer by paying INR 54,450/- as part tuition fee on or before 3 PM, 4th July 2022. Failing to do so, your admission offer will stand cancelled. Request for extension of date for payment of fees will not be entertained under any circumstances. The remaining amount of fees is to be paid as per the Fee schedule mentioned in Annexure 4.

We are very excited to welcome you to be a part of the CEPT community. As you begin your studies, you will be introduced to a host of new policies and procedures. It will be important for you to remember that email is the official method of communication for the University. Through your new CEPT email address (which you will receive after the completion of the registration), you will receive information regarding your student account and any outstanding fee balances, class schedules, registration timelines and important course information from your instructors. It is your responsibility to check your new CEPT email account frequently and respond appropriately.

Please note that at present your admission is provisional. It is subject to verification of necessary documents and successful completion of academic probation as set forth in the enclosed annexure.

CEPT University has established new benchmarks in the domain of built environment education. The University is continually focused on improving its processes to further the pursuit of excellence. In the present uncertain times, the coming M22 semester has been planned for in-person classes. However, looking at the current state of the COVID-19 pandemic, it seems that if the conditions worsen, the plan may need to be modified. We should be prepared for a move to online teaching if that is what is required by the prevailing situation. While that is not our preference, we will need to respond to the emerging situation in the interest of everyone's health and safety. The detailed plan for the coming semester will be shared with you soon.

I wish you good luck and much academic success as you begin a new phase in your career with CEPT University!

Warm wishes,

Prof. Mona Khakhar

NUS SCHOOL OF COMPUTING (SoC)

- Acceptance and Registration for Master of Computing (MComp) with Specialisation

We would like to highlight the following to you before you accept this offer of admission:

1.0 MComp (Specialisation) Programme Fee - Applicable to Academic Year (AY) 2023/2024, Semester 2 (January 2024) Intake

1. The Master of Computing programme is a self-funded graduate coursework programme, and the tuition fees will be payable on the per-programme (40 Units) basis according to the payment schedule below. The tuition fees for the Master of Computing (Specialisation) programme for AY2023/2024, Semester 2 (January 2024 Intake) admission is \$51,000 (before prevailing GST). The tuition fees are subject to prevailing GST.

All Singaporeans and Permanent Residents enrolling into this programme (which is not subsidised by the government) will be automatically extended a 10% tuition fee rebate. NUS alumni, regardless of nationality, will receive a total of 15% rebate.

AY2023/2024, Semester 2 (January 2024 Intake) MComp (Specialisation) Programme Fee (S\$)*		
Before prevailing GST (The prevailing GST is 8% in 2023. From 1 st January 2024, the GST will increase to 9%)	Full-Time	Part-Time
Acceptance Fee	5,000	5,000
Semester 1	23,000	11,500
Semester 2	23,000	11,500
Semester 3		11,500
Semester 4		11,500
Total	51,000	51,000

* The above fees are subject to prevailing GST.

- The above stated tuition fees allow students to enroll up to 40 Units. Students who are enrolled in courses (including project/dissertation courses) beyond 40 Units for programme completion are subject to supplementary tuition fees.
 - The tuition fees will be charged each semester according to the above payment schedule.
 - Students may be provided with the SoC Tuition Fee Subsidy. The SoC Tuition Fee Subsidy is only applicable to Singapore Citizens and Singapore Permanent Residents. Students do not need to apply for the SoC Tuition Fee Subsidy. Eligible students will be notified in the admission offer.
 - SkillsFuture (SSG) funding is not applicable to courses in the MComp (Specialisation) programme.
 - All students are required to pay for the Miscellaneous Student Fees (MSF). The MSF payable per semester can be found [here](#).
 - University's Fee Payment Due Dates
 - The fees are payable according to the [University's fee payment schedule](#). Students are liable to pay for the semester's fees if withdrawal from the programme is submitted **after Week 2 of the semester. Fees paid for previous semester(s) will not be refunded.**
 - A late payment fee will be imposed if fees are paid after the fee payment due date.
 - Students who are allowed to complete the programme earlier than the above indicated payment schedule are required to pay the balance outstanding fees for subsequent semester(s). Tuition fees and SoC Tuition Fee Subsidy (if applicable) for the final semester may be adjusted depending on the courses enrolled.
 - All fees quoted here are in Singapore Dollars (S\$), and may be subject to change. The University reserves the right to alter the fees at any time without notice. Fees for subsequent years are under review.
2. As admission to the programme is granted on a competitive basis due to limited places, candidates who are accepting the offer of admission will be required to make payment for a **non-refundable and non-transferable acceptance fee of \$55,000 (before prevailing GST).**

Bewerbungsnummer: 439528
Ergebnis der fachlichen Prüfung
(Bestandteil des Zulassungsbescheids/Anhang)**

Sehr geehrte Damen und Herren,

Rahul Aravind Natanmai Jayaprakash wird eine fachliche Zulassung für den Masterstudiengang M.Sc. Aerospace Engineering (PO 2021) zum Sommersemester 2023 (auch gültig für eine Einschreibung zum Wintersemester 2023/24*) an der Technischen Universität Darmstadt erteilt.

Als Bestandteil der formellen Eingangsprüfung (nach § 17a der Allgemeinen Prüfungsbestimmungen der Technischen Universität Darmstadt, APB), wurde in der fachlichen Prüfung die individuelle Eignung durch die Prüfungskommission des Fachbereichs Maschinenbau überprüft. Dabei werden die vorhandenen Kompetenzen, unabhängig von der Art und Herkunft des ersten Hochschulabschlusses, auf qualitative Äquivalenz mit den an der TU Darmstadt in dem o.g. Studiengang geforderten Eingangskompetenzen begutachtet. Als Grundlage dient die Ordnung des Masterstudiengangs M.Sc. Aerospace Engineering (PO 2021) des Fachbereichs Maschinenbau an der Technischen Universität Darmstadt (Ausführungsbestimmungen 1.2. Anhang II: Kompetenzbeschreibungen).

Da die Prüfungskommission im Rahmen der formellen Eingangsprüfung keinen vollständigen Nachweis der Eingangskompetenzen feststellen konnte, wurde zur materiellen Eingangsprüfung am 23.02.2023 in Darmstadt eingeladen. Folgendes hat die materielle Eingangsprüfung ergeben:

Dear Mr. Sai Kumar Thoppase Sethu Raman,

Congratulations! I am pleased to inform you that the School of Engineering and Applied Sciences at the University at Buffalo (UB), State University of New York is recommending your admission for the Fall 2022 semester to the degree of Masters of Science in Engineering Science with a course focus in Data Science.

This letter constitutes a recommendation of admission only. **We are unable to offer you any funding for the cost of your attendance at the University at Buffalo.** Please note that we have a very large applicant pool and limited funds for scholarships and assistantships.

This admission offer is limited to the area of study and the degree indicated above. If you wish to change your area of study or degree at a later date, an additional application and review process may be required. At all times during your program of study, you will be required to maintain continuous enrollment, demonstrate satisfactory progress towards completing your degree, and adhere to all relevant Policies and Procedures of the Engineering Science with a course focus in Data Science Program and UB Graduate School.

At the University at Buffalo, as is the practice at most other major universities in the U.S., the admission of students to graduate programs is a shared responsibility of academic departments and the Graduate School. General questions about the admissions process should be communicated to the School of Engineering and Applied Sciences Office of Graduate Education at gradeng@buffalo.edu or 1-716-645-9099.

We are pleased that you have chosen to apply to the University at Buffalo and are very hopeful that you will join our program. Please inform us of your acceptance of this recommendation of admission by completing our online **Statement of Intent** form found in your **Application Status Portal** at your earliest convenience. Also, please note the required health documentation and instructions for International applicants, both of which are summarized as an addendum to this letter.

We are excited to have you join our program and look forward to seeing you soon in Buffalo, New York.

Dear RAXXELYN JENNEYL L

Your Application 22W00013 for admission in our MBA Programme 2022-2024 batch

Congratulations!

Further to your above application, on the basis of the documents furnished by you, your admission test scores based on CAT/MAT/XAT/CMAT and your performance in Group Discussion, Personal Interview, Written Ability Test that you had with us, we are pleased to offer you merit based admission in 2022-24 batch of our management programme, the AICTE approved, Master of Business Administration (MBA) programme (affiliated to Madurai Kamaraj University).

We have already communicated to you the salient features about the TSM MBA Programme. As you might be aware, we have received and are continuing to receive large number of applications for our management programmes and we congratulate you for having qualified for admission to this Institute against such stiff competition. We hope you will make the most of the opportunity by accepting the offer.

We would request you to comply with the following requirements, to reserve your admission in TSM:

- Confirm your acceptance of our offer by sending us a mail at admission@tsm.ac.in within 2 days from your date of receiving this offer letter
- The 1st installment fee is Rs. 3,07,000 out of which a sum of Rs.50,000/- is to be paid as a part of Admission Confirmation Fee through ERP portal "erp.tsm.ac.in" with your login id and password (which you might have received during your application process) in 10 days of the offer letter receipt and the balance to be paid on 30 days of the offer letter receipt.

If you are graduating in 2022, you are required to furnish proof that you have completed your graduation successfully, and have no arrears whatsoever, of passing with minimum 50% as prescribed by AICTE, not later than 31 July 2022 or within 7 days of publication of results by your University, whichever is earlier. You should have completed all your Under Graduation (UG)/ Post Graduation (PG) course requirements before the commencement of the programme. In the event that you are unable to furnish such proof or continue to have any arrear, your admission may be treated as cancelled.
